- Providing socialization and peer attention in a supervised setting.

### Days / Times Offered

- Monday - Friday
- 3:00 - 5:00

First day of after school care is August 26, 2024

Last day of after school care is May 21, 2024

## After School Care Guidelines

Students must have a after school care registration form to participate.

Staff are paid to stay until 5:00 or until all students are picked up. Please be mindful of both staff time and funding costs by picking up children prior to 5:00. Those that are repeatedly picked up late will unfortunately be unable to participate in the after school care program.

There are not enough staff to handle students who struggle to manage their own behavior during after school time. Students who do not follow school rules during after school may not be able to attend the after school care program.

Students who leave campus after school, going to the store or a friends house, may not attend the after school program on those days. This is a safety concern. It is nearly impossible for after school staff and parents to track a student's location causing confusion and lack of supervision and thus a safety issue.

Please do not ask your children to wait in the front of the school to be picked up.
